C&C Constructions Ltd wins EPC contract worth Rs 574 crore

Gurgaon, 7th April, 2008

C & C Constructions Limited, a leading infrastructure project development company, has been awarded a contract amounting to Rs 5.74 billion (Rs 574 crore) from Jaypee Associates Limited for the construction and development of a four lane road from Zirakpur to Parwanoo, passing through the states of Himachal Pradesh, Haryana and Punjab.

The Company had previously bagged two orders worth Rs 2.02 billion from the Himachal Pradesh Road and Infrastructure Development Corporation Limited, which were under the World Bank aegis. This contract from Jaypee Associates Limited is the second EPC contract in Himachal Pradesh for the Company. The road is expected to be completed in 26 months.

C & C Constructions has consistently displayed a high degree of competence and expertise in executing projects in highly challenging geographies and terrain. This assignment offers the Company an opportunity to cement its position as a developer of roads and infrastructure in the state of Himachal Pradesh.

Commenting on the development Mr. Gurjeet Singh Johar, Chairman - C&C Constructions Limited said, *"This contract from Jaypee Associates will enable us to solidify our position as an infrastructure developer in these Northern states like Himachal Pradesh and Punjab. We expect the construction to be completed by June/July 2010. We are quite confident that our experience in project management in difficult terrains will keep us focused on timely and successful execution through these three states. Our current order book has now grown to over Rs 15 billion, which is scheduled for implementation over the next two to three years."*

About C & C Constructions Limited

Incorporated in 1996, C & C Constructions Limited is an infrastructure project development company that provides engineering, procurement and construction services for infrastructure projects.
